Annual Report & Financial Statements 2019-20

Oxleas NHS Foundation Trust Charitable Fund (Registered Charity No. 1061424)

The Corporate Trustee presents the Charitable Fund Annual Report together with the Financial Statements for the year ended 31 March 2020 for the registered charity, prepared in accordance with Section 132 (1) of the Charities Act 2011 and The Charities (Accounts and Reports) Regulations 2008.

The Charitable Fund operates under a Declaration of Trust dated 17 February 1997. The aim of our Charity is to raise funds and attract donations that can be used to benefit a wide range of services provided by Oxleas NHS Foundation Trust. These include a wide range of health care including community services across a variety of locations such as people's homes, health centres, schools, prisons and hospitals. The Charitable Fund is an umbrella fund which is made up of 57 individual charitable funds (2018/19: 57 Funds). Oxleas NHS Foundation Trust is the Corporate Trustee of Oxleas NHS Foundation Trust Charitable Fund. In administering the objectives and activities of the fund, the Trustee gives careful consideration to the Charity Commission's general guidance on public benefit.

The following Directors of the Trustee are also members of Oxleas NHS Foundation Trust Board:

Trustee recruitment, appointment and induction

Oxleas NHS Foundation Trust is the Corporate Trustee of Oxleas NHS Foundation Trust Charitable Fund. Trustees of Oxleas NHS Foundation Trust Charitable Fund are appointed from the board of Oxleas NHS Foundation Trust.

Key management personnel information

The Trustee has concluded that the Directors of the Trust and the Trust fund Directors comprise the key management personnel of the charitable funds as they are in charge of:

- Directing and controlling the charitable funds
- Running and operating the charitable funds on a day-to-day basis.

The Directors of the Trust give their time freely and did not receive any remuneration during the year. The Directors of the Trust are required to declare any potential conflict of interests. No conflicts of interest were declared that impacted upon the Charity. The Directors of the Trust have agreed that no separate committee to manage the Charity is required due to the size of the Charity. The day-to-day administration and control of the 57 individual accounts that make up the Charity are delegated to members of Trust staff who are best placed to recognise needs (Fundholders) and are in a relevant post to the Charitable Fund concerned.

Annual Report & Financial Statements 2019-20

Individual Funds

No new funds were set up in the year. No funds were closed during the year.

Reserves Policy

Charitable Fund policy states that fund holders should endeavour to ensure that all donations should be expended within two years of receipt, except where funds are being saved for a specific purpose (either restricted or designated funds). The budget holders for each Trust fund are responsible for building reserves for their fund should this be deemed necessary, however at present no funds are saved for this purpose.

Risk Policy

The amount of funds held in respect of Charitable Funds is considered too small to support an investment portfolio. The Corporate Trustee does not consider there to be any major risks associated with the charitable funds due to the nature of the charitable activities undertaken. Funds spent during the year will be no more than the balance of reserves held.

Expenditure authorisation limits for Trust fund holders are standardised. This is now in line with the Trust's signatory authority matrix. This is to ensure that all expenditure for the Trust is authorised using the same processes throughout the Trust.

The charitable fund is reliant on voluntary income and donations to allow expenditure on charitable activities. If income falls then the expenditure would have to fall as a result of this. The NHS is also by its nature subject to changes in government policy and funding decisions, and so there is an inherent risk as a result of any unforeseen changes in the NHS.

Accounting

Oxleas NHS Foundation Trust provides accounting facilities for the Trust Funds. Each Charitable Fund has a unique code which is debited or credited at the time of a transaction. Transactions are processed through the ledger system. Any balance owing to or from the Fund is transferred between the Trust Fund Account and Oxleas' bank account during the financial year.

Investment Policy

£450,000 has been reinvested with Lloyds Bank from September 2019 (April 2019: £500,000). Interest in 2019-20 was earned at 0.80% (2018/19: 0.80%).

Financial Review

During the year charitable funds of £42,000 (2018/19: £40,000) were generated, whilst in the same year expenditure totalled £155,000 (2018/19: £122,000), resulting in net expenditure of £114,000 (2018/19: £82,000). Donations remain a considerable source of income to the funds with £18,000 of income, with the remainder coming from charitable activities and returns on investments. Charitable activities represent £155,000 of the expenditure. The charitable funds amount to £451,000 (2018/19: £564,000), which means that the funds can continue to be expended in line with the above policies.

The General Fund saw income of £10k through donations. The Greenwich Patients OPMH saw a significant movement of 9k income; the Postgraduate Fund had income totalling £5k. The Bracton Centre Fund had expenditure of £38k (Sensory Rooms & Garden; Patient Support), Forensic Psychiatry Fund £29k (Training), whilst the Bromley Impatient Funds £13k (Furniture and communal areas, improving patient and visitor experience) of expenditure.

How to contact us

Further information about particular funds can be obtained from the Senior Financial Accountant, in the first instance. Copies of the Annual Accounts for Oxleas NHS Foundation Trust Charitable Fund can be obtained by writing to the Director of Finance at the same address.

Thank you

Service users have benefited greatly from the generosity of family, friends, staff and the wider community who have made donations to the Trust funds and helped with fundraising efforts. Thank you also to our volunteers, 16 of whom manage our snack shops. The profits from the shop are put into two Trust funds; one for Adult mental health patients within Oxleas House and the other being the Trust fund for older people. The funds are used to pay for entertainers on the wards, emergency clothing and toiletries, and also to keep the gardens in good condition for our patients, visitors and staff. The funds are used to buy Christmas presents and Easter eggs for our elderly in patients and to fund day trips to various places i.e. seaside trips and places of interest. We fund BBQs for elderly inpatient wards and pay for themed party days throughout the year. The funds are also used for certain items of equipment on the ward and for celebrating special occasions for the patients. Funding received has been used across many funds to provide training and guidance for staff, meaning that the benefits do not solely apply to Oxleas NHS Foundation Trust but to society as a whole.

How we manage your donations

The Charity makes grants from both its unrestricted and restricted funds to Trust staff for training purposes and issues other expenditure in relation to patient welfare, staff welfare and other expenditure. The largest 12 funds also incur an administration fee from Oxleas NHS Foundation Trust and the independent examination fees, apportioned across the funds by size.

Unrestricted funds: These funds are received by the charity with no particular preference expressed by the donors as to how the money should be spent, or paid for a designated location but into a fund where there are no restrictions on how this money should be spent.

Restricted funds: These are funds donated for a specific purpose expressed by the donor into either a new fund created for a specific purpose or an existing restricted fund and are spent as such.

What we plan to do with your donations: our future plans

The Charitable Fund policy states that fund holders should endeavour to ensure that all donations should be expended within two years of receipt, and we will continue to ensure that donations are spent on enhancing patient care by funding a wide range of activities and training over and above the core services and facilities that are funded by the NHS.

Annual Report & Financial Statements 2019-20

Statement of Trustee responsibilities

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

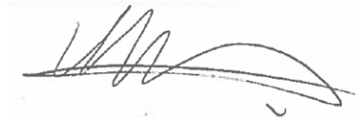

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently, subject to any material departures disclosed and explained in the financial statements;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent examiner's report to the corporate trustee of Oxleas NHS Foundation Trust Charitable Fund

I report on the accounts of Oxleas NHS Foundation Trust Charitable Fund (the "charity") for the year ended 31 March 2020, which are set out on pages 1 to 20.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- which gives me reasonable cause to believe that in any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act 2011; and
 - to prepare accounts which accord with the accounting records; and
 - to comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008
 have not been met, or
- to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Basis of independent examiner's statement

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a comparison of the accounts with the accounting records kept by the charity. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as corporate trustee concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement above.

Respective responsibilities of corporate trustee and examiner

The charity's corporate trustee is responsible for the preparation of the accounts. The charity's trustee considers that an audit is not required for this year under section 144(2) of the Charities Act 2011 and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act 2011;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011; and
- to state whether particular matters have come to my attention.

Your attention is drawn to the fact that the charity's trustees have prepared the charity's accounts in accordance with the Statement of Recommended Practice 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) issued in October 2019 in preference to the Statement of Recommended Practice 'Accounting and Reporting by Charities: Statement of Recommended Practice (revised 2005)' issued in April 2005 which is referred to in the Charities (Accounts and Reports) Regulations 2008 but has been withdrawn. I understand that the charity's trustees have done this in order for the charity's accounts to give a true and fair view in accordance with United Kingdom Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2019.

Use of this report

This report is in respect of an examination carried out under section 145 of the Charities Act 2011. This report is made solely to the charity's corporate trustee, as a body, in accordance with the regulations made under section 154 of the Charities Act 2011. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustee, as a body, for my work, for this report or for the opinions I have formed.

Notes to the Accounts

1 Accounting Policies

1.1 Basis of preparation

These financial statements have been prepared under the historical cost convention and in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (FRS 102), applicable United Kingdom Financial Reporting Standards (FRS 102) and the Charities Act 2011. The Trustee considers that the going concern basis is an appropriate basis on which to prepare these financial statements. No significant judgements have been exercised in preparing the financial statements as none of the charity's operations require such judgement, similarly there are no key sources of estimation uncertainty.

The charity constitutes a public benefit entity as defined by charities SORP (FRS 102).

1.2 Income

All income is recognised once the Charity has entitlement to the resources, it is probable that the resources will be received and the monetary value can be measured with sufficient reliability.

When there are terms or conditions attached to income then these terms or conditions must be met before the income is recognised as the entitlement condition will not be satisfied until that point. Where terms and conditions have not been met or uncertainty exists as to whether they can be met then the relevant income is not recognised in the year but deferred and shown on the balance sheet as deferred income. The above applies to all sources of income that appear on the Statement of Financial Activity, being Donations, Other trading activities, Investment income and Other income.

1.3 Funds structure

Oxleas NHS Foundation Trust Charitable Fund comprises 'restricted income' and 'unrestricted income' funds. Where there is a legal restriction on the purpose to which a fund may be put, the fund is classified in the accounts as a restricted fund. All 'unrestricted' funds can be spent at the Trustee's discretion. The major funds and material funds held in this category are disclosed in notes 12 and 13 of the Accounts. The Charity has no 'endowment funds'.

1.4 Expenditure and irrecoverable VAT

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to each category of expense shown in the Statement of Financial Activities. All expenditure is recognised once there is a legal or constructive obligation committing the Charity to make payment to a third party. VAT is irrecoverable and is charged against the category of resources expended for which it was incurred.

1.5 Analysis of governance and support costs

The Charitable Fund was charged £4,800 by Oxleas NHS Foundation Trust (2018/19: £4,800) to cover the cost of Fund management and administration as no staff are directly employed by the charity. The charge made by the NHS Foundation Trust is at a fair open market rate and represents appropriate recharges of staff and non-staff costs to Oxleas NHS Foundation Trust. The cost is apportioned between the largest twelve funds based on individual balances at the start of the financial year. Governance costs relate to the independent examination fee. The apportioned governance costs relating to restricted funds are accounted for under restricted funds and the apportioned governance costs for unrestricted funds are accounted for under unrestricted funds. These costs are included within the total cost of 'charitable activities'.

1.6 Costs of raising funds

The costs of raising funds are those attributable to raising income for the Charity. They represent fundraising costs.

1.7 Charitable activities

Expenditure on activities for the ongoing benefit of patients and staff are charged directly to Charitable Activities, as are all costs incurred in the pursuit of the charitable objects of the charity.

1.8 Cash and cash equivalents

Cash at bank and in hand is held to meet the day to day running costs of the charity as they fall due.

1.9 Creditors

Creditors are amounts owed by the charity. They are measured at the amount that the charity expects to have to pay to settle the debt.

1.10 Debtors

Debtors are amounts owed to the charity. They are measured at the amount that the charity expects to receive to settle the debt.

2. Prior year comparatives by type of fund

The primary statements provide prior year comparatives in total; notes 4,5,12 and 13 provide prior period comparatives for the Statement of Financial Activities and the Balance Sheet for each of the types of fund held.

3. Related Party Transactions

Neither the Corporate Trustee or key management staff or parties related to them have undertaken any material transactions with Oxleas NHS Foundation Trust Charitable Fund during the financial year or received any benefit from the Charity in payment or kind. Payments to Oxleas NHS Foundation Trust for expenditure incurred on the Charity's behalf are made periodically throughout the year, including a payment of £4,800 to Oxleas NHS Foundation Trust for administration and management costs during the financial year (2018/19: £4,800). In total £100k was owing to Oxleas NHS Foundation Trust at year end (2018/19: £28k).

6. Role of Volunteers

We have 16 volunteers who manage our two snack shops, one based in the Memorial Hospital, and one in Oxleas House. The profits from the shop are put into two Trust funds one for adult mental health patients within Oxleas House and the other being the Trust fund for Older people. The funds are used to pay for entertainers on the wards, emergency clothing and toiletries, and to keep the gardens in good condition for our patients, visitors and staff. The funds are also used for certain items of equipment on the ward and for celebrating special occasions for the patients.

7. Trustees remuneration, benefits and expenses

The Directors of the Charity's Corporate Trustee give their time freely and receive no remuneration for the work that they undertake as trustees. No expenses were claimed by the Directors of the Corporate Trustee in the period.

8. Independent examiner's remuneration

The independent examiner's remuneration of £4,800 (2018/19: £4,800) related solely to the independent examination with no other additional work being undertaken.

9. Transfers between Funds

There were no transfers between funds in this financial year.
