Oasis Care and Training (formerly SORAG Care Agency) is a non-profit charity Agency providing a full range of services to all communities; including older people, children & families, refugees, people with learning disabilities, physical disabilities and mental health issues.

Oasis is an established 3* Domiciliary Care Agency with 20 years’ experience of providing generic and ethnic care and support services to 19 local authorities in and around London.

Oasis Care and Training is registered and inspected by Care Quality Commission; and therefore is licensed to provide support services to all communities.

Our current Inspection Report can be viewed at www.cqc.org.uk.”
OASIS is a specialist Care Agency providing home care support services to all communities including children, young and elderly people and people with mental, learning and physical disabilities.

We do not discriminate on the grounds of age, race, gender, sexual orientation, religious belief or disability. Our support staff always treat our Service Users with respect, as well as maintaining their privacy, dignity, choice and independence.

The Agency is accredited foremost for providing specialist services to ethnic communities as well as English speaking communities. We provide ethnic care support which is culturally, religiously and linguistically, to match our client’s needs.

We are able to provide temporary or permanent support, relief support, holiday cover and hospital discharge from one hour to 24 hours a day.

Our services are designed and constantly improved with the full participation of our clients. We frequently monitor the quality of services that we provide and we welcome your suggestions, comments and feedback on the services. The information gathered is used to help us improve on our services.

Our Support team are professionally trained at NVQ level 2/3/4 and most of them are bilingual. They have the knowledge, skills and experience to meet your individual needs.
