

Nomination form

Do you know a team who have gone above and beyond in the past year and deserve special recognition for their outstanding work?

Nominations are now open for our Recognition Awards 2017/18 and we are looking for 'Team of the Year' from each of our seven directorates. We'd love to hear from patients, carers, members, volunteers, partner organisations and members of staff about the team you think has made an outstanding contribution to Oxleas' services.

The winning 'Team of the Year' for each directorate will be a team who puts the trust values into action in their everyday working life, consistently shows dedication in making a difference to our patients' lives and is committed to equality and inclusion.

In addition, you can also nominate an individual for a Governors' Award. Someone who makes a real difference to improving patients' lives.

Nominations are quick and easy to make.

Closing date for entries is **Friday 26 January 2018**

Your details:

Your name:

Job title / role (if applicable):

Email:

Address:

Contact number:

If you need someone else to complete the form on your behalf, please confirm who is completing it and that you have given permission (below).
