Nomination form

Easy Read available

Do you know a team who have gone above and beyond in the past year and deserve special recognition for their outstanding work?

Nominations are now open for our Recognition Awards 2018/19 and we are looking for **'Team of the Year'** from each of our seven directorates. We'd love to hear from patients, carers, members, volunteers, partner organisations and members of staff about the team you think has made an outstanding contribution to Oxleas' services.

The winning 'Team of the Year' for each directorate will be a team who puts the trust values into action in their everyday working life, consistently shows dedication in making a difference to our patients' lives and is committed to equality and inclusion.

You can also nominate someone this year for an additional award:

- **Governors' Award** - do you know of an individual who makes a real difference to improving patients' lives?

You can nominate in both our team and individual awards.

Nominations are quick and easy to make.

For an **Easy Read** form call Sharon Rodrigues on 020 8269 3325.

**Closing date for entries is
Friday 7 June 2019**
