# Concerns and complaints

How do you feel about the services you have received from Oxleas NHS Foundation Trust?

We are committed to providing the highest standards of care, so if you would like to give us some feedback about your experience we would be pleased to hear from you. Your complaints, comments and suggestions really help us to improve the services we provide.

You should be treated with courtesy, respect and dignity at all times. We want to assure you that making a complaint will not harm or prejudice the care that you, or the person you care for, are given.

## Introduction

This leaflet explains how to make a comment or complaint about your care and treatment. It tells you what we will do after receiving a complaint and what you can do if you are unhappy with our response.

- Your daytime telephone number (so that we can speak with you if we need to) and any times you would prefer us to contact you
- A summary of your complaint
- The date the incident occurred
- The ward, service or people involved
- What you would like us to do to put things right

## Who can complain?

Anyone who is affected by the actions or decisions of Oxleas NHS Foundation Trust can complain. If you are complaining on behalf of someone else we may, for patient confidentiality reasons, seek their consent to reply to you.

## Time limits for making a complaint

It is always best to make your complaint as soon as possible and not more than 12 months after an incident. This time limit can be extended if there are good reasons why you could not complain earlier.

Keeping a complaint confidential

To fully investigate your complaint, information from health records may have to be shared with clinical and managerial staff. However, patient confidentiality will be respected at all times.

If you decide to complain, this will **not** be recorded on your medical notes.

## Equality and diversity

Our goal is to provide fair and equal healthcare across all our services. We aim to ensure that patients and carers are not subject to discrimination, bullying and/or harassment on the basis of ethnic or national origin, gender, sexual orientation, marital status, age, physical or mental health, religion or beliefs.

## If you need help

Independent complaints advocacy services are available to support you in making a complaint. Details are available on our website ([oxleas.nhs.uk](https://oxleas.nhs.uk)) or please contact our Complaints Office on **01322 625751** or email [oxl-tr.complaints@nhs.net](mailto:oxl-tr.complaints@nhs.net).
